

*A Message from
the President*

Reverend Dr. Mary M. Heggie, Founding President/CEO

Dear Sister Friends,

In 29 days, we will embark on our 37th Annual Convention Conference for Women in Ministry, Inc.! Sisters over the State will converge in this virtual session under the 2021 Theme **"21st Century Women in Ministry: Building A Team of Innovative Leaders!"** The scriptural foundation lives in Philippians 2:13 *"For it is God who works in you both to will and to do for His good pleasure."* Sisters, this year and the remaining of this year, our duty to build innovative, inventive and advanced women in ministry leaders to carry the torch has never been more critical, and God's ability to reach people has never been more needed.

As you prepare for another marvelous experience in the presence of our God, please consider a special donation to Scholarship, Foreign and Domestic Mission and Operational Expenses. NCAWM family, your support of our objectives is stellar. Sacrificial giving for people impacted by natural disasters is excellent. But the reliable administrative arms of our convention need your gracious support. Therefore, I dutifully entreat your awesome consideration to support our mission at or beyond the requested level noted on the Registration form.

Collectively, we have power! May the All Sufficient Wisdom of God guide and keep us for the facing of this hour.

Again, thank you for being the best part of The North Carolina Association for Women in Ministry, Inc. May the Lord bless you and keep you in all your ways. ####

Message from the President ...

To our Graduates:

With awards show season in full swing, we wanted to take the opportunity to do some red-carpet rolling of our own. Today we want to honor (drum roll, please) . . .

We know you're a humble group, happy to serve behind the scenes, but go ahead and take a bow. **Because of your faithful prayers, support and strong endurance, we are able to reach more women all over the state and nation with the messages of biblical womanhood in leadership.** We couldn't be more grateful to serve the Lord with you.

The great news is, **there's plenty of room for more!** In fact, our "red carpet roll" is actively looking to expand.

To other sisters, would you prayerfully consider becoming a graduate? We'd love to thank you, too!

A special "thank you" to Reverend Dr. Jean Brown, Provost, East Carolina Christian College and Seminary!

For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future.!!

— Jer 29:11

Congratulations!

Reverend Dr. Barbara S. Barner

Dr. Barner will be relocating to Shelby, NC. Her vision and plans are to start a County Chapter in the Cleveland County in 2022. Look to hear of a new vibrant and progressing chapter added to NCAWM! Thank God for the expansion.

Thank you Dr. Barner. We are amazed at what "yes" to God will do!

THE OFFICE OF CHAPLAIN ...*State Chaplain, Minister Charlene Mangum –*

Friday Morning First 6:00 am prayer is going very well. We have had at least 18 people on the line at one time. God has met us there each Friday morning and each prayer warrior has prayed with the anointing and power of the Holy Ghost. There has been a sweet sweet spirit on the air waves until some mornings, it was hard to get off the line. We have also had some first-time warriors on the line this quarter. To God Be the Glory for the marvelous things He is doing through our FMF Prayer.

Friday Morning First New Dial-in:

**The host and participants call dial-in number is
(605) 313-4213, Access Number: 2490797**

The State Chaplain along with each County Chaplain will be putting together a prayer book with prayers from our sisters of NCAWM. Our goal is to have this book, filled with prayers that have gotten us through the pandemic ready by our November Convention Conference. If you would like to submit prayers, please see your County Chaplain. More information will be available in the coming months.

Finally, I would like to say thank you to all of our sisters of NCAWM. One of our sisters had a medical issue and the clarion call went out for prayer. You ladies stepped up and sent up some timber. Prayers were texted, emailed and prayed out loud. The Master Physician up in Heaven heard our cry and came to our dear sister's rescue. The issue was revealed, and God did what He does best for His children. He came to see about her. He showed up and showed out. We are grateful for the praise report and our dear sister is doing well. Whose report will you believe? We shall believe the report of the Lord. His report said that she is healed, and we take God at his word. God bless all of you my dear sisters for staying on the wall, standing in the gap and for being mighty soldiers on the battle field of the Lord. - Standing in the Gap

Minister Charlene Mangum

YOU'RE ON MY MIND AND IN MY PRAYERS

THE VICE PRESIDENT'S DESK ...*Executive Vice President, Elder Yvonne Addison -*

On May 15, 2021, NCAWM hosted the Annual Interfaith Prayer Summit. Even though it was virtual, the presence of the Lord blessed us powerfully. The fellowship of the sisterhood was evident as we praised our God together. A special thanks to everyone who graciously accepted your assignments. Every scripture read, and prayer ministered were appreciated. Teamwork in NCAWM is phenomenal. Pastor Jacqueline Jones did an outstanding job of presiding. Her energy and excitement flowed throughout the event. Rev. Cassandra Stone led us into God's presence as she ministered Something Has to Break and The Great I am Provides for Me. Bless God for Rev. Barbara Sutton for creating our theme song, Women Chasing After God. We were blessed by a poem from Rev. Mary Broadnax. The opportunity to honor our anointed leader, Dr. Heggie, was given as a plaque was presented to her from the association. We are so honored to have Dr. Heggie as our leader. The new emerging voice, Minister Javarrah Samuel released a powerful word over the NCAWM women. **"Emerge to Build and Bridge the Gap"** was her topic. We are the light of the world and our purpose is to be revealed. It is time to emerge and come into view or re-emerge where you have drawn back. We are to bridge the gap between this present generation and those to come. This is a time to double back and check on the seed that was planted.

The intercessors entered into the presence of the Lord and prayed from His throne room as they prayed for family, the bereaved, the nation, church and leaders and for healing of mental illnesses. We are blessed to have so many gifts in this association and those gifts truly honored the Lord.

November 2021 37th Convention Conference and Legend's Banquet

At the present, our plan is to have the conference in person. Details have not been planned at this time. However, I would like to have a planning committee. Everyone will have an opportunity to participate in the convention, but the planning committee is voluntary. It is our hope to have the pastor from Life Restoration Church (Kenya) to participate in this event. Since Lenoir County leads our foreign mission efforts, we will discuss this with you further. As discussed in a previous meeting, we will invite our 2020 scholarship recipient to this event. ###

First Woman Elected President of United States-Based Baptist Group LOTT CAREY BAPTIST FOREIGN MISSION SOCIETY

by [LottCarey](#) | Aug 16, 2021 | [Blog](#), [News](#), [News](#) | [0 comments](#)

Dr. Gina Stewart is the first woman elected president of the Lott Carey Baptist Foreign Mission Society, and the first female president of a national African American Baptist mission agency or convention.

This distinction sets her apart and emphasizes her sterling contribution to Baptist life and witness and to the broader Christian community.

Senior pastor of Christ Missionary Baptist Church in Memphis, Tennessee, Dr. Stewart was installed during the 124th Lott Carey Annual Session held August 10-12 in Atlanta, Georgia, and streamed virtually.

She has brought with her a wealth of experience. She is a member of the Advisory Council for the Samuel DeWitt Proctor School of Theology at Virginia Union University, Co-Convener for the Women in Ministry Conference, a Trustee for the Samuel DeWitt Proctor Pastors' Conference, and a board member for the March of Dimes. She is founder of Greater Works, a nonprofit devoted to philanthropy and ministry development.

Dr. Stewart is a former member of the Advisory Board for The African American Pulpit, The National Civil Rights Museum and Bread for the World.

A sought-after speaker, she has preached at notable events such as the Hampton University Minister's Conference in Virginia and was inducted into the Martin Luther King Board of Preachers, Class of 2018.

The Tennessee native has been recognized with several prestigious awards. The long list of honors includes being the first female to receive the Carter G. Woodson Award from Southwest Community College in February 2013, the Living Legends Award in recognition of her outstanding contributions to the community, and the Pastor of the Year award from Citizens for Better Service.

Dr. Stewart's association with Lott Carey goes back two decades. She gave distinguished service as a Team Leader for the Pastoral Excellence Network, one of Lott Carey's longstanding programs, and previously served the mission agency as Second Vice President and First Vice President.

She succeeds Rev. Gregory Jackson of Hackensack, New Jersey, who was president from 2018-2021.

"I believe God is pleased with this. With Dr. Stewart and her election and selection to be president," Rev. Jackson said. "She has been working in Lott Carey for several years. She's been second vice president, first vice president, and now president. She was part of the Pastoral Excellence program. She has journeyed around the world and has ministered with people. She is ready."

"Dr. Stewart's ascendency to the presidency of Lott Carey is not only historic but also providential," said Lott Carey Executive Secretary-Treasurer Rev. Emmett Dunn. "I celebrate this moment and welcome Dr. Stewart as a co-laborer for the Kingdom and look forward to working with her executive team of leaders to advance the ministry and mission of Lott Carey."

She is author of *We've Got Next: HERstory in HISTORY*. Her work has been featured in other publications such as *Faith: Christian Leaders Reflect on the Election of Barack Obama*, *What We Love About the Black Church: Can We Get A Witness?* and *Black Practical Theology*.

The new president heads a body with long term mission engagements in more than 20 countries in Africa, Asia, the Caribbean, Europe, North America, Oceania, and South America.

"Dr. Stewart stands tall not as a female leader but as a leader. Her notoriety transcends Baptist boundaries, which is an asset to the Lott Carey network," said Rev. Dunn.

"I believe Lott Carey will expand its national and international footprint because of the visionary and prophetic giftedness she brings to our missional community. Above all, this historic moment crystallizes that indeed, 'at Lott Carey everybody is somebody.'"

"What a joy it is to affirm the election of Rev. Dr. Gina Stewart as the next national President of Lott Carey and the first female president in its great history," declared Dr. John M. Alexander, Jr., Chair of the Lott Carey Board of Directors.

"... I am convinced that under Dr. Stewart's dynamic leadership, she will lift Lott Carey to higher heights in missions locally, nationally, and globally." – Dr. John Alexander, Jr. ###

NORTH CAROLINA ASSOCIATION FOR WOMEN IN MINISTRY SUPPORTS NATIONAL DOMESTIC VIOLENCE AWARENESS MONTH!!!

www.shutterstock.com · 1549280627

October was first declared as National Domestic Violence Awareness Month in 1989. Since then, October has been a time to acknowledge domestic violence survivors and be a voice for its victims. Domestic violence is prevalent in every community, and affects all people regardless of age, socio-economic status, sexual orientation, gender, race, religion, or nationality. Physical violence is often accompanied by emotionally abusive and controlling behavior as part of a much larger, systematic pattern of dominance and control. Domestic violence can result in physical injury, psychological trauma, and even death. The devastating consequences of domestic violence can cross generations and last a lifetime.

Although there has been substantial progress in reducing domestic violence, an average of 20 people are physically abused by intimate partners every minute. This equates to more than 10 million abuse victims annually. 1 in 3 women and 1 in 4 men have been physically abused by an intimate partner, and 1 in 5 women and 1 in 7 men have been severely physically abused by an intimate partner. Millions of Americans live in daily, silent fear within their own homes. In addition, every year millions of children are exposed to domestic violence. Domestic violence incidents affect every person within a home and can have long-lasting negative effects on children's emotional well-being, and social and academic functioning. #TogetherStrong

2021 Annual Mission Recipient!

The Lott Carey Baptist Foreign Mission Society

Reverend Minnie Bannister and those working with her in Mission, has been instrumental in choosing the recipient for 2021. The Lott Carey Baptist Foreign Mission Society has committed to support victims of Hurricane Ida that landed on the United States Gulf Coast in late August. Heavy rain and tornados associated with the hurricane caused loss of life and widespread destruction in the Mid-Atlantic and Northeast regions, including in Maryland and New York City. Lott Carey, through its partnerships with churches, and others, will provide much needed assistance, especially food, water, and shelter.

Members and sister friends, thank you for your support to help us answer their appeal to churches, institutions, organizations and persons of goodwill to join them in bringing relief, comfort, and hope to those in need? Without your donations, prayers and membership we would not have been able to give to Lott Carey for domestic mission this year while expressing the love and compassion of Christ on behalf of God's people? ###

Why It is Important to Vote!

Voting is important because it shows that we pay attention to politics, the issues of the day, and to get your voice heard. A reason why voting is important is because of significant events that happened in history for us to vote. Voting is one of the most effective ways to make lasting and beneficial changes to social policy. While marches and rallies tend to raise awareness about social issues that need to be addressed by the government, voting tells the government that awareness about the issue is no longer sufficient and that direct action to correct the issue is being demanded.

It is crucial for anti-poverty activists and others who want to make lasting and beneficial changes to social policy to get out and vote. Franklin D. Roosevelt expresses the power of voting and the answer to the question "why is it important to vote?" when he said: "Nobody will ever deprive the American people of the right to vote except the American people themselves and the only way they could do this is by not voting."

Please note: The North Carolina Association for Women in Ministry, Inc. does not endorse candidates. We encourage women to vote your choice. Just vote!!!
